**What You Always Wanted: An If Only novel (If Only . . .)** Kristin Rae

**Enjoy *What You Always Wanted* and the other standalone titles in Bloomsbury's contemporary If Only romance line centered around an impossible problem: *you always want what you can't have!***

Maddie Brooks has always had high standards for guys. But she has yet to find one who can live up to the grace and romance of classic Hollywood heartthrobs, especially the dreamy song-and-dance man, Gene Kelly. When Maddie begins to carpool with Jesse Morales, her new neighbor and star pitcher of the high school baseball team, she's immediately struck by his wit, good looks, and love for his family-but a guy so into sports is definitely not her style. Then Maddie discovers that Jesse was raised a dancer and still practices in the community theater dance studio to keep in shape. Perhaps her perfect dream guy exists after all. But when it becomes clear that baseball-not dance-is Jesse's passion, can Maddie find a way to let her dream guy go and appreciate the charms of the amazing guy in front of her?
