Listen to the Lambs: A Novel Daniel Black

In *Listen to the Lambs* by Daniel Black, nothing can convince Lazarus Love III to return to the lifestyle of affluence and social status he once knew. Longing for a freedom of the soul that the world of capitalism cannot provide, Lazarus leaves all that he knows--including his wife and children--to achieve the ultimate level of peace and silence living as a homeless man. When his quest causes him to cross paths with four other wanderers, all of whom later call themselves "the family," a shocking, brutal act leaves Lazarus in a dire position and his newfound family must struggle to save him. By doing so, both families--past and present--are redeemed and consequently learn the beauty of sacrificial love.
