An inexperienced girl and two male lovers

Untouched Emma is stuck in France and upset at her loser boyfriend for treating her like crap, and so instead of putting up with him and putting out for the first time, she takes the first flight out of Paris and goes home early.

But when she goes to seek comfort from **her boyfriend's dad** and catches him in a **exciting, sexy act** with another man, she decides to seek comfort of another kind...

Dad can't resist the alluring young naked woman, and feels obliged to make her **first time** out of this world. He and his lover take her **hard and without protection**, giving her a taste of how **REAL alpha males** please their women.
