The Complete Guide to Sail Care & Repair Dan Neri

Sails are the single biggest variable cost in owning a sailboat. Unless you're a sailmaker with years of experience, it's difficult to separate reality from myth - and this becomes more true with every "advance" in sailmaking technology. Yet by doing things right, you can save yourself thousands of dollars, and significantly increase the useful lives of your sails. Master sailmaker Dan Neri shows you how to do this in *The Complete Guide to Sail Care and Repair*. This book reveals exactly what you need to know to substantially increase the useful lives of existing sails; work with your sailmaker to specify the best sails for your own needs; make sure your sails are properly repaired and maintained; and correctly repair sails on your own.
