The Garden City: Past, present and future (Planning, History and Environment Series)

**\*\* Please note, the HB was published in 1992. The PB version, an exact reprint of the HB, was released in 2011\*\***

This examination of a phenomenon of nineteenth century planning traces the origins, implementation, international transference and adoption of the Garden City idea. It also considers its continuing relevance in the late twentieth century and into the twenty-first century.
