Here, for the first time, is an oracle depicting the spectacular animal spirit guides of Hawaii, gateway to the land of light. The ancient wisdom of these creatures is as relevant today as ever. *The Hawaiian Oracle* takes seekers on a journey into Huna mysticism. With a 36-card divination deck and 144-page guidebook, this kit draws on the multicultural traditions of Polynesia, presented in a groundbreaking tarot format.

Hawaiian mythology consists of a pantheon of lively gods and goddesses, reminiscent of the ancient Greek deities, whose many adventures offer poignant lessons about love, power, and consciously creating our own destinies. The major arcana portrays these flamboyant figures, while the four suits of the minor arcana represent the birds, seas, lands, and animals of the islands. The cards resonate on many levels, and readings offer both cautionary and encouraging advice. The companion book provides detailed information on each card, how and when to use the deck, a glossary, a comparison to the Rider-Waite tarot deck, and six introductory spreads with interpretations. Easy to understand and fun to use, it allows novice and expert alike to experience and embrace the spirit of aloha.
