It often happens in the middle of an otherwise pleasant day -- you're shopping, or walking across a college campus, and you encounter *them*. They're holding signs that claim Israel is an "apartheid state" and charge Israel with committing "genocide" against Palestinians. They're calling for boycotts against Israeli products, and divestment from companies that do business with Israel.

You know supporting Israel is the right thing to do. And you're not alone. For decades, polls have shown a large plurality, usually a majority, of Americans back Israel. But here's the problem: you don't know how to respond -- or if you even should -- to these Israel haters.

That's where this book comes in. Imagine some of the key points from Alan Dershowitz's authoritative volume, *The Case For Israel*-- as it might be delivered by Bill Maher. All the information you need in this street fight of words, but delivered in a light and accessible way, with satirical humor. So the next time you encounter a group of Israel-hating extremists, you'll be armed with the facts -- and the techniques to apply them with skill and confidence.
