What do you do when fate hands you a wild daughter? As Micah recounts her struggles to raise a brave daughter and to keep her safe at the same time, she also tells the story of her own sometimes humorous, sometimes harrowing two week solo adventure in the Adirondack Mountains as a teenager. Micah Perks' candid short memoir takes an insightful look at women and the wild, the wildness she experienced as a child on a commune in the Adirondack wilderness, the ways women and wildness are depicted in movies and books like Cheryl Strayed's bestselling memoir *Wild*, and the wilderness she discovers inside her own daughter.

Micah Perks is the author of a novel, *WE ARE GATHERED HERE*, and a memoir, *PAGAN TIME*, about growing up on a commune in the Adirondack Wilderness. *Pagan Time* is an audiobook from Audible and an ebook and has been translated into Korean. Her short stories and essays have appeared in *Epoch*, *Zyzzys*, *Tin House*, and *The Rumpus*, among many other journals and anthologies. She's won an NEA Award, a Saltonstall Foundation for the Arts grant, two Pushcart Prize nominations, and several residencies at the Blue Mountain Center. She lives with her family in Santa Cruz and codirects the creative writing program at UCSC. You can find more information on her and her writing at [micahperks.com](http://micahperks.com).
