The Book of Legendary Lands

Umberto Eco

The Book of Legendary Lands Umberto Eco

A fascinating illustrated tour of the fabled places in literature and folklore that have awed, troubled, and eluded us through the ages. From the epic poets of antiquity to contemporary writers of science fiction, from the authors of the Holy Scriptures to modern raconteurs of fairy tales, writers and storytellers through the ages have invented imaginary and mythical lands, projecting onto them all of our human dreams, ideals, and fears. In the tradition of his acclaimed *History of Beauty*, *On Ugliness*, and *The Infinity of Lists*, renowned writer and cultural critic Umberto Eco leads us on a beautifully illustrated journey through these lands of myth and invention, showing us their inhabitants, the passions that rule them, their heroes and antagonists, and, above all, the importance they hold for us. He explores this human urge to create such places, the utopias and dystopias where our imagination can confront things that are too incredible or challenging for our limited real world. Illuminated with more than 300 color images, *The Book of Legendary Lands* is both erudite and thoroughly enjoyable, bringing together disparate elements of our shared literary legacy in a way only Umberto Eco can. Homer's poems and other ancient and medieval texts are presented side by side with *Gulliver's Travels* and *Alice in Wonderland*; Tolkien shares space with Marco Polo's *Books of the Marvels of the World*; films complement poems, and comics inform novels. Together, these stories have influenced the sensibilities and worldview of all of us.

The printed and e-book are not different in the written content but it's just different by means of it. So, do you nevertheless think The Book of Legendary Lands is not loveable to be your top listing reading book?

Charles Moreno:

As a college student exactly feel bored for you to reading. If their teacher questioned them to go to the library or make a summary for some book, they are complained. Just tiny students that have reading's heart or real their passion. They just do what the instructor wants, like asked to go to the library. They go there but nothing reading seriously. Any students feel that reading is not important, boring along with can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore, this The Book of Legendary Lands can make you sense more interested to read.

Pamela Acuna:

What is your hobby? Have you heard that will question when you got pupils? We believe that that problem was given by teacher to their students. Many kinds of hobby, Every person has different hobby. And also you know that little person such as reading or as looking at become their hobby. You must know that reading is very important as well as book as to be the thing. Book is important thing to include your knowledge, except your personal teacher or lecturer. You discover good news or update regarding something by book. Numerous books that can you go onto be your object. One of them are these claims The Book of Legendary Lands.
