**In the latest Shifters Unbound novel, a man has resigned himself to a life half lived. But a beautiful, courageous woman has him longing for something more...**

Graham McNeil knows that his pack is unruly, but he's not sure he can take the next step toward pack stability. After losing his first mate long ago, Graham has worked hard to keep his heart in check. Besides, even if he was inclined to choose a new mate, his girlfriend, Misty, is human—a fact that won't sit well with Graham's old-fashioned pack.

But Misty is going through a crisis of her own, one that brings danger and death to the pack. With the wolves doubly convinced that there needs to be a shake-up, Graham must now defend his leadership and save the woman he has grown to love—before Shiftertown is pulled into an all-out war.
