**Marley Cartman wants a guy with a tiny one — bank account, that is.**

No more rich men for Marley Cartman. Absolutely not. Thanks to her dad, her ex-fiancé, and the overbearing donors she schmoozes for a living, she's had more than her fill. From now on, she wants blue-collar men with dirt under their fingernails. But when Marley makes a break to handle donor relations for a wildlife sanctuary, she finds herself drawn to the annoyingly charming-and disturbingly wealthy-chairman of the board.

Judging by his hipster T-shirts, motley assortment of canine companions, and penchant for shaking up stuffy board meetings, you'd never guess that William Barclay the Fifth is a brilliantly successful businessman. Will has good reason to be leery of scheming women, and as he and Marley butt heads over the wisdom of bringing grumpy badgers to charity events, he can't help but wonder if his new donor relations coordinator is hiding something other than a perfect figure beneath that designer suit...
