Melanie Winters and Daniel Montgomery shared a love most only dream of, a love they believed bonded them together for life.

When their world is shattered by the tragic loss of their daughter, overwhelming grief and misguided guilt distorts the truth, and their relationship ends in uncertainty and unanswered questions.

For nine years, they drift through life, each unable to forget the one who holds the strings to their heart. In an attempt to escape the pain of her past, Melanie finds herself trapped in a loveless marriage, while Daniel loses himself in a career that means nothing without Melanie by his side.

Now, when their lives again intersect, neither can deny the connection they felt so long ago. But will the power that drew them together be enough to heal the wounds from their past, and will they have the courage to overcome the insecurities and fears that threaten to keep them apart?

Pulled is a story of attraction and separation, of destiny and duty, of a love so strong it refuses to give up even when all others have.

"Okay, this one did it for me in a big way. I'm an angst-lover. And by that I mean, I'm a Thoughtless, Beautiful Disaster, Love Unscripted, Slammed, Fifty Shades of Everything, kind of reader. But there's gotta be an HEA. And not a half-done HEA but a real yeah-this-story-has-been-agonizing-but-look-it-was-all-worth-it HEA. So, that said, I earnestly recommend this book. If you're like me, you'll like this. Enjoy!"
